Please read the following carefully before signing below:

I understand that my child's preparation for first confession and first communion is for a way of life and thus is most effective when modeled in the family. I am willing to make the commitments necessary for this way of life, including family participation at Mass on Sundays and Holy days of obligation in addition to ensuring my child is at all required classes, sacramental practices and is keeping up with the at home portion of his/her preparation. I realize that a failure to support my child's preparation in the home or excessive tardiness and absences could result in a postponement of his/her reception of the sacraments to a later date. After the reception of the sacraments, I will continue to support my child's religious education because I know that faith formation is a lifetime process of ongoing conversion at every age.

Parent's Signature: _____ Date: _____

Please return this form to the parish office along with an official copy of the child's baptismal certificate.

Note: Children registering for first communion preparation should be in second grade and must be 7 years old prior to beginning the second year of first communion preparation. The family must be registered as members of the Parish. First Communion preparation requires a prior year of religious education. If you have questions about any of these criteria, please contact the Director of Religious Education Arielle Harms at the parish office, or by email: aharms@avemariaoratory.org
